

Team Canvas

Goals Shared & Personal Goals

Guiding Questions:

What do we want to achieve together?
What are your personal goals or expectations for these 3 weeks?
What is our main goal as a team?

Roles and strengths

Each person writes:

- Name(s)
- **Personal strengths** or "superpowers" they bring
- Role(s) in the team
-

Guiding Questions:

What strengths do you contribute to the team?

What roles will you take on?

Purpose – Team Motivation

Discuss the deeper motivation behind the project.

Guiding Questions:

Why does this project matter?

What can we learn from this workshop?

How much time and motivation can I contribute?

Values: Shared Principals

Define the shared values that guide your teamwork:

Guiding Questions:

What behaviors and principles matter most to us?

How do we want to treat each other?

Rules & Collaboration Principals

Agree on how you want to work together:

- Communication rules
- Meeting times
- Decision-making
- How to deal with conflict or overload

Guiding Questions:

- How will we communicate and keep each other updated
- What tools will we use?
- How will we track progress and give feedback?

Examples:

- Daily check-ins on Slack
- 30-min reflection every Friday
- Rotate task ownership
- Use English as main working language
- ...
